

During ATLANTICADE there will be daily Legion rides. Our goal is to raise money for and re-introduce the regional legions to the general public while providing scenic tours for visitors to our region.

These rides are being hosted by the Canadian Army Veterans MU Dunkirk and the UN-NATO Veterans group Moncton.

Legion ride participants, unfamiliar with the region, will meet at the Moncton Legion Br #6 daily (see schedule below for timings). Guides will be available at Legion Br #6 to lead riders to the first legion to be visited. Those riders familiar with the area can go directly to the first legion to be visited.

Registration will take place at the first Legion to be visited after leaving Moncton Legion Br #6.

Ride fees: All ride fees will be by donation

The schedule below provides ATLANTICADE riders with Legion ride specific information.
